Did the organization regularly and consistently monitor and enforce compliance with its conflict of interest policy? Each board member is required to disclose any conflict of interest that might properly limit such member's fair and impartial participation in board deliberations or decisions. Our organization by-faws prescribe that no director shall cast a vote, nor take part in the final deliberation in any matter in which he/she, members of his or her immediate family or any organization to which such director has allegiance, has a personal interest that may be seen as competing with the interest of the organization. The status of each member is reviewed prior to any board meeting.
