The mission of Heroes Supporting Heroes is to meet the basic life needs of others through:

- Seeking to bear one another's burdens
- Leveraging the gifts of our Servant Heroes
- Serving for the greater good

The foundation of HSH began with serving those in military uniform (past, present & families). The Vision of HSH is to support stable and safe housing for military members and their families, senior citizens, and others in need, in order to honor God.

Serving for the greater good, HSH seeks to maximize the impact to our local community by sponsoring the West Allegheny Work Camp and other projects to improve the lives of our neighbors and support our military family community that include:

- Emergency home repairs
- Short-term food and other household supplies
- Lawn Care
- Automobile repairs

Blue Star Mothers originated in 1942 as mothers of servicemen volunteered in hospitals and train stations, built care packages and were integral to homeland security during WWII. Today, the organization not only provides support to servicemen/women and their families, they promote patriotism, assist veteran's organizations and are available for homeland volunteer efforts to help our country remain strong.

Information &
Registration Here

Proceeds from this year's outing proudly support the Heroes Supporting Heroes (HSH) home repair fund, the 2025 West Allegheny Workcamp, and Blue Star Mothers of America local Chapter.

Heroes Supporting Heroes team members field calls daily from local veterans needing help with **home repair**. Often the HSH network provides the supplies and volunteers to complete the work, but some situations require material purchases.

Workcamps are week-long home repair mission trips for high school students. Youth groups from across the country will arrive in our area on June 15th and spend an entire week here completing home repair projects including porch repair, wheel-chair ramp builds, painting and much more; all free of charge for our local community members.

Blue Star Mothers promote patriotism and support our military family members, deployed troops, and area Veterans through involvement in service and volunteering efforts.
